The club members turned out in force as they anxiously awaited the arrival of the Lt. Governor (LTG). This was the highest attendance to a meeting in the last few weeks. We all wanted to meet and greet one of our most esteemed leaders. The meeting started, no LTG . Club issues were discussed, no LTG. Happy/Sad Dollars were collected, no

LTG. Then Ken ran out of ad libs, and we became resigned to the fact that we were not going to meet the LTG that morning. Our concerns changed from 'stuck in traffic' to the safety of our LTG. The meeting adjourned. But, alas, the LT is alive and well!

Later in the week, the mystery of the "no-show" LTG was solved, and Ken Daly made this announcement:

"LTG Rick Hartman called Ken Daly Tuesday afternoon and apologized for missing his formal visit to our club; no excuses were made. Seems our LTG failed to review his calendar, and didn't read his email reminders. How could this happen? Must have so-journed to the far side of the moon over the holidays and forgot to come back. Once ascertained that the LTG's physical well-being had not been compromised Ken suggested that the LTG re-schedule his visit. Not withstanding future brain cramps the LTG promised to bring his check book with sufficient funds to help all of our club members recover from the severe mental trauma suffered by his failure to be at the proper location at the scheduled time for HIS official visit."

Later it was ascertained that the LTG will address our club on 14 Feb 2006...without fail. So, mark your calendars.
