## Speaker: Ganim Hanna, CEO: Loma Linda Broadcasting Network?

*"Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost - - Matthew 28:19"*

Ganim Hanna, President/CEO of LLBN informed the group about the unique mission of his organization. LLBN is a Christian, viewer supported, worldwide television ministry, sending the word via satellite, cable and the internet. The ten year old organization has been providing quality programming, round the clock, for all of its listeners, young and old, to challenge their minds with meaningful information, touch their hearts with inspirational thoughts, and to lift up their spirits.. An anonymous benefactor donated the initial funding to launch the communications program.

Mr. Ganim showed a brief PowerPoint presentation of the new, state-of-the-art building which houses the operation. The LLBN welcomes volunteers as well as donations to support the group. For more information, visit the LLBN website: <http://www.llbn.tv/> . **Special thanks to Stephanie Byrns for contributing this article**
