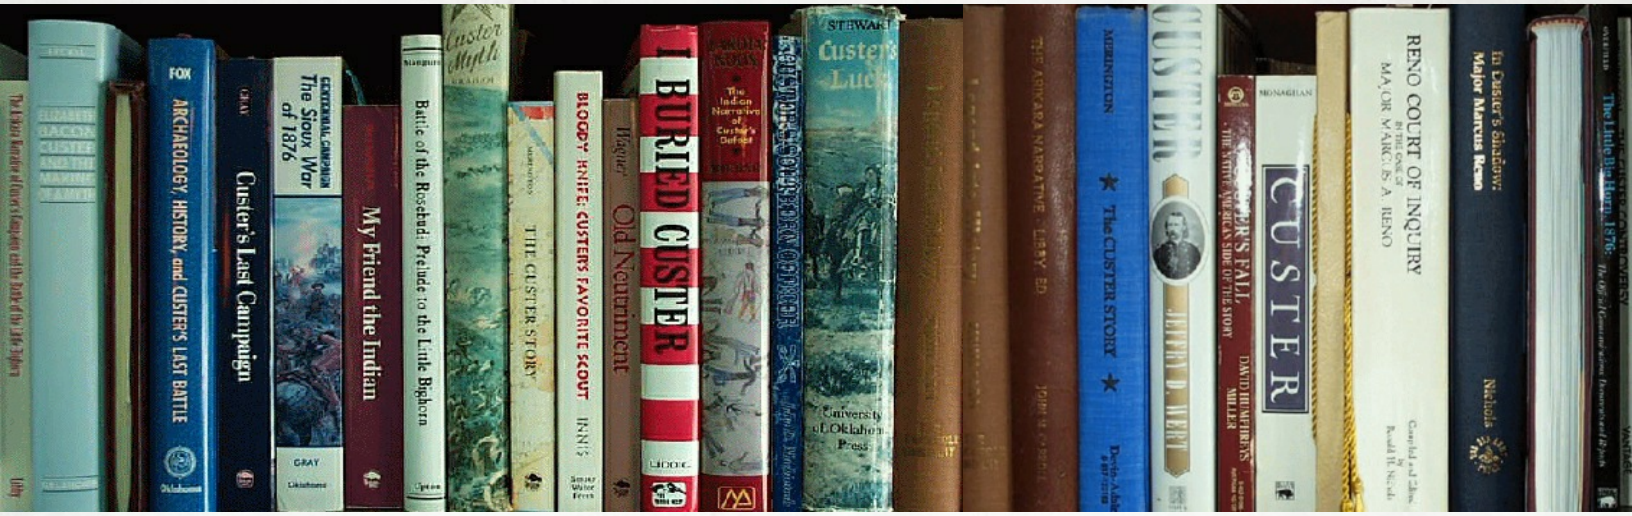
CUSTER BOOK COLLECTION FOR SALE OR DONATION



After over 30 years of reading and collecting Custer related books, pamphlets, articles, and newsletters, I have decided to part with my library. I have over 250 books, both early and new editions, and some rare books.

I would prefer to donate the entire collection to a university special collections department or historical society that would maintain the materials and make them available for researchers and students.

If this is not feasible, I would like to sell the collection as a whole, and not piecemeal.
